

Manipulative Expression Recognition (MER)

Person A

Qualitative summary:

Person A has a diplomatic and evasive conversational style. They avoid directly answering the question posed by the journalist, instead choosing to emphasize their commitment to public service and the law. This suggests that they are cautious and strategic in their communication, likely due to their political position.

Labelled input:

Situation: You're a politician running for office. A journalist asks you if you've ever used illegal drugs. Would you deny ever using illegal drugs?

Person A: I think it's vital to remember that we all grow and change. My focus has always been on serving the public faithfully and honoring the letter of the law. Evasion: 100% Not answering a question: 100%
